Title: Virtual CommTECH Nusantara 2023 - Summer Exploration of Indonesia 3-14 July 2023

Dear UTAR students,

Virtual CommTECH Nusantara 2023: Summer Exploration of Indonesia, a fascinating short programme aimed to introduce various Indonesian cultures to participants from all over the world to be conducted from **3-14 July 2023** every 15.00 – 17.30 and 19.00 – 21.00 GMT +7

CommTECH Nusantara is a short programme aimed to introduce various Indonesian cultures to participants from all over the world. This programme focuses more on art and culture-related activities such as traditional music and dance, making Batik, exploring Surabaya Kampongs, language, foods, and many more. Delivering the special theme of Summer Exploration of Indonesia this year, participants will explore the rich values and culture from various ethnics in Indonesia and will get summer vibes from all over regions.

Not only that, but participants will also be thrived to hone their creativity with joining a project competition of creating and presenting a video or poster in the theme of Indonesian values and culture in a Virtual Project Exhibition. The team with the best project will receive some special prizes from ITS.

This programme is open for non-Indonesian active bachelor, master & doctoral students from any background, non-academic staff and Faculty/Staff from overseas university.

It's a free programme for 5 participants from partner universities.

Don't miss the excitement and join us now!
