Subject: Invitation to Participate in ITS Spring Program 2025: CommTECH Camp Insight 2025, Technology Innovations (20 February – 3 March 2025), Indonesia.

Dear UTAR students,

★ Join CommTECH Camp Insight 2025★

We're excited to announce that **CommTECH Camp Insight 2025** is back on-site! 🌐 This **two-week international short program**, hosted by Institut Teknologi Sepuluh Nopember (ITS), will provide a deep understanding of the assigned topics. All topics will be delivered by ITS professors/faculty members in collaboration with local partners and communities. Participants will be divided into groups to work on real-life problems faced by the community. With increased engagement between participants, facilitators, and the community, the experience will be more impactful.

ITS will hold **CommTECH Camp Insight 2025** in two streams, in on-site mode, offering amazing courses with details as follows:

Stream 1: SDGs Innovations on 3-14 February 2025 (Application Closed)

Stream 2: Technology Innovations on 20 February - 3 March 2025

📍 **Location:** ITS Campus, Surabaya, Indonesia

🔓 **Open to:** Active students who are passionate about making a difference!

💡 Why Join?

- ✓ Gain insights into real-life challenges and co-create solutions with participants from around the globe.
- ✓ Work closely with experts and communities to create meaningful impact.
- ✓ Earn a **Certificate of Participation** and a **Credit Earning Letter** (up to 3 credits available upon request). * subject to the approval of your faculty
- ✓ Explore Indonesia and experience a rich cultural exchange!

Course Fee & Facilities

Both CommTECH Insight 2025 are open for overseas students with no specific technical/practical skills required to join the programme.

With various unforgettable activities offered in 12 days, the fee to join this programme is very affordable, ie. USD1600 per participant. The fee will cover airport pick-up & drop-off, accommodation and all scheduled meals for 11 days, local transport, course materials, workshop tools & seminar kit.

Please note that return flight & health insurance are not part of the fee. Participant must arrange their own health insurance prior to the departure, if needed.

🎓 Scholarships Available – Don't miss this opportunity to make your experience more affordable!

The ITS offers **full scholarships**, **50% scholarships**, and **partial scholarships** for UTAR students. These scholarships are available in limited quotas, with UTAR University allocated **only one slot for each type of scholarship**.

Visa Information As per September 2022, here is the update of the visa.:

✓ **ASEAN Countries:** Free Visa (Visa on Arrival).

✓ **88 Other Countries:** Visa on Arrival available (IDR 500,000).

✓ **Non-VoA Countries:** Online visa application (IDR 2,000,000 via ITS system).

@ Important Notes:

- You need to do minimum 2nd doze vaccination to enter Indonesia without show the PCR result, you need to show PCR test if you only got 1st dozes.

Institut Teknologi Sepuluh Nopember (ITS)

Institut Teknologi Sepuluh Nopember (ITS) is a world-class Legal Entity State University (PTNBH) that contributes to national independence and becomes a reference in education, research, community service as well as the development of innovations, especially those that support industry and maritime affairs.

Institut Teknologi Sepuluh Nopember is attached to the history of the Republic of Indonesia's struggle for independence. The establishment of ITS was pioneered by Indonesian independence heroes since 1957, involving dr. Angka Nitisastro, Soedjasmono, Kyai Haji Yahya Hasyim, and supported by Roeslan Abdulgani.

The new motto of ITS Advancing Humanity is to foster a new enthusiasm in creating innovation through technology and knowledge for society. The motto was chosen to be a new motivation in continuing an active role for human civilization according to ITS values. Vivat!

About CommTECH

Community and Technological (CommTECH) camp is an opportunity for university students, academics, and professionals from all over the world to learn about community and global issues through a variety of insightful but fun activities. The aim of this program is to facilitate an opportunity to better understand ITS's expertise in technology implementation within the society while visiting, discovering, and experiencing Indonesia's diverse heritage and culture.

The theme of the program is *"Solving Local Problems with Global Knowledge"*.
